

BAPTISM PREPARATION FOR OLDER CHILDREN (GRADES 3 – 12)

*If the child to be baptized is seven years old or older, **the child** must have formal instruction prior to the baptism (Code of Canon Law: Can. 97 §2).*

We offer a specialized preparation program that acknowledges your child's age, experiences, and unique circumstances. Depending on the age of your child, additional preparation and formation may be offered to also celebrate their First Reconciliation (Sacrament of Reconciliation), First Communion (Sacrament of Eucharist), and the Sacrament of Confirmation.

We are happy to work with you in your child's preparation to celebrate the Sacrament of Baptism.
