Year 1 Service Form

Candidate Name: _____ **Candidate Number:** _____

Service Requirements and Form Instructions:

Year 1 Candidates are responsible for performing one parish based service project.

What is a parish based service project? Because Christian service is integral to mature Christian faith, Year 1 Candidates for Confirmation are required to serve the parish community through a service project. The goal of having the Candidates complete service like this is not for them to undergo “busy work,” but instead it is our hope that this may begin to stimulate within them a lifelong habit of service and awareness of their role in our parish and in the larger body of Christ! Some service opportunities for Year 1 Candidates include:

- Altar serving, ushering, or lecturing at CTK Masses
- Teaching CTK Vacation Bible School or CTK Religious Education/Assisting with PSR events
- Assisting at Sacramental celebrations such as receptions for Confirmation and First Communion
- Assisting with the CTK MUST program; Nov-March CTK sandwich making; or CTK snack bag making
- Volunteering at the Lent Fish Fry dinners and Seder Dinner
- Volunteering with the CTK Christmas Adopt-a-family

You can sign up for parish based service on the CTK Young Church Confirmation Year 1 Program Service webpage <http://www.ctkyouth.com/ctkserviceproject>. Other parish service opportunities can be found under Ministries on the CTK website. <http://cathedralctk.com/outreach/>
